Misrepresentation of the application for residency is grounds for termination of the lease.

3. LEASE TERM. The initial term of this lease shall begin on _____, 2019 (called the "Commencement Date"), and shall end at midnight on _____, 2020. Upon expiration of the term of this Lease, all other terms and conditions of the Lease shall remain in full force and effect and such tenancy shall be considered a month-to-month tenancy.

4. MONTHLY RENT AND OTHER CHARGES.

a. Monthly Rent. Lessee hereby agrees to pay \$ _____ per month in advance as rent for the Lease period. Sewer, trash collection and 3,000 gallons of domestic water are included in rent payment. Usage over 3,000 gallons will be charged to Lessee at \$4.00 per 1,000 gallons and will be considered additional rent. Rent payments shall be made at the manager's office and payable to Midlands Village.

b. Rent and Additional Rent Payments. Monthly Rent and Additional Rent and all other charges payable to the Lessor under this Lease shall constitute "rent" under applicable law. Such rent shall be payable monthly, without notice, in advance, and is due on or before the first (1st) day of each month after commencement of this Lease until said tenancy is terminated and Lessee's home is removed from Midlands Village. Rent may be paid by check or credit card at the on-site property manager's office, online on the Resident Portal, in the drop slot at the community centers front door, but the Lessor reserves the right to require that rent be paid in a single check rather than multiple checks, or in the form of a cashier's check, certified check or money order. Lessee may not withhold or offset any amounts against the rent due the Lessor unless authorized by statute.

c. Late Fees. Late Fees are defined as monetary sums that Lessor may charge against Lessee as a result of the Lessee's failure to timely pay rent, unless such untimeliness is the result of a late payment or nonpayment by a "rent subsidy provider" as that term is defined under Colorado law. Late Fees are specifically defined AND DISCLOSED under this Lease Agreement so as to preserve Lessor's entitlement to charge Late Fees against Lessee pursuant to Colorado law. If Monthly Rent is not paid by the 10th day of the month and the Lessor has not delivered a notice to vacate. Monthly Rent may be accepted on the 11th day of the month or thereafter if accompanied by \$50.00, until payment is received. Late Fees under this Lease Agreement shall not bear rates of interest. Lessor shall not apply any periodic rental payments paid by Lessee under this Lease Agreement to accrued Late Fees, and all Late Fees must be satisfied by Lessee independent of periodic, monthly rental payments. Lessee hereby acknowledges that his/her receipt of monthly tenant ledgers routinely delivered to Lessee by Lessor shall constitute written notice of all Late Fees accrued against the tenancy. Lessee will also pay a charge of \$25.00 for each returned check.

d. Notice Required for Rent Increase. Rent shall not be increased without sixty days' written notice to the Lessee. In addition to the amount and the effective date of the rent increase, such written notice shall include the name, address, and telephone number of the mobile home park management, if such management is a principal owner, or owner of the mobile home park and, if the owner is other than a natural person, the name, address, and telephone number of the owner's chief executive officer or managing partner; except that such ownership information need not be given if it was disclosed in the Lease Agreement. Rent shall not be increased by Lessor more than one (1) time in any twelve-month period of consecutive occupancy by the Lessee, regardless of a). Whether there is a written rental agreement for the Lessee; b). The length of the Lessee's tenancy; c). Whether this Lease agreement is

for a fixed term, month-to-month term, or an indefinite term. Lessor agrees that Lessee's tenancy shall not be terminated via Notice to Quit with the primary purpose of increasing the amount of Lessee's monthly rental payments.

e. Security Deposit. On or before the date of this Lease, the Lessee will deliver to the Lessor the sum of \$_____ (the "Security Deposit"), equal to one month's rent, which the Lessor shall hold as a security deposit, without interest, for the Lessee's performance of its obligations under this Lease. ***No part of the Security Deposit shall be refunded unless Resident provides not less than thirty (30) days prior written notice of surrender of the Premises.*** The Lessor may apply the Security Deposit from time to time in order to cure Defaults in the payment or performance by the Lessee under this Lease, and the Lessee will promptly pay the Lessor when requested the amounts so applied. The security deposit may be used by Lessor to pay for damages in excess of reasonable wear and tear to the homesite, lawn or its improvements or for damages in excess of reasonable wear and tear caused by Lessee or Lessee's agents or invitees to the streets, sidewalks, park, and other common areas. Lessor may also use the security deposit as compensation for unpaid rent, clean up costs necessary and for damages of any nature sustained because of breach by Lessee of any of the terms of the Lease, including the covenants and conditions to be kept and performed hereunder by Lessee. The Lessor may apply the Security Deposit to amounts due the Lessor or to make repairs at the end of this Lease, and thereafter any remaining amounts will be returned to the Lessee. Such security deposit will not be returned until after the premises have been vacated by Lessee and inspected by Lessor. The Lessor recommends that the Lessee follows manufacturer-recommended preventative maintenance for the Home, including periodic re-leveling. Unless authorized by statute, no improvements may be made to the Home or the Home Site without the prior written consent and approval of the Lessor. Lessee agrees to the following restrictions and conditions of installation of homes on the leased premises:

Alterations to the exterior must be approved, in writing, by the Lessor with respect to general compatibility with the balance of the homes in the Community. No window shall be covered with any foil, paper, cardboard, wood, metal, or other non-transparent substance or material. Appropriate curtains or blinds shall be the only window covering permitted. Air conditioners and/or evaporative coolers must be covered with a canvas hood for winterization. No plastic tarps will be permitted.

b. Lawn and Site Care. Normally, irrigation water is provided at each homesite. Lessee may choose to use sprinkler system, irrigation faucets, or city water to maintain lawn. Lessee must water and trim lawn, landscaping, trees and shrubs on each site in order to maintain a well-kept appearance. Lawns are to be fertilized by Lessee with a chemical or organic fertilizer. Weed killer must be applied during the Spring or Fall season. If Lessee chooses to use underground sprinkler system, Lessee agrees to maintain system, i.e.; cleaning filters, adjusting and replacing heads. Lessee may hire Lessor to care for lawn at the rate of \$80.00 per month, with appropriate paperwork completed. If Lessee fails to keep lawn and landscaping properly mowed, trimmed, watered, or maintained, Lessor may do so at Lessee's expense. Failure to properly maintain the premises or to water or mow the lawn, shall be considered a material breach of this Lease and/or Lessor may maintain the premises at the expense of the Lessee, with a minimum charge of \$50.00 per occurrence. This fee shall be added to and considered additional rent. Any landscape feature not properly maintained may be removed or replaced by management at Lessee's expense. All above applies also to sprinkler systems, trees, and shrubs. Seasonal lawn equipment, bikes, toys, and other outdoor equipment must be kept out of sight when not in use.

c. Trash. Lessee shall not permit or allow any rubbish, waste materials and/or other items of discardable condition to accumulate upon the premises. Lessee shall maintain the same in a reasonable clean and sanitary condition at all times. Lessee agrees to provide trash containers. Trash container shall be stored out of sight from the street, preferably behind the porch or in the storage shed. Lessee shall not place trash container out on any day other than normal pick-up day. The Lessee, in agreeing to the terms and conditions of this paragraph, agrees to those terms, conditions charges and/or fees that may be imposed.

d. Planting and Digging. Because of the great number of utility lines and drops located on the premises, it is understood that Lessee will not dig, or cause to be dug, any holes (such as for trees or shrubs) nor drive or cause to be driven, rods or poles into

the ground, nor will the ground be rototilled, without the express written permission of the Lessor. Lessee shall be fully liable and responsible for any harm caused by violation of this provision and shall indemnify and hold Lessor harmless therefore.

e. Home Safety. Any condition constituting a safety hazard shall not be tolerated and the judgment of Lessor as to what constitutes a fire or other safety hazards shall be conclusive. Each home shall contain any safety equipment required by the governmental authorities. Lessee is responsible for their needs when in need of police or fire protection. In an emergency, Lessee shall first call the police or fire department and then notify Lessor. Health rules and regulations established by the state, local health department or Lessor must be observed by Lessee at all times.

f. Site Repairs and Maintenance. All expenditures involved in repair and maintenance of a home site shall be the sole responsibility of the Lessee. If Lessee does not maintain the home site, as per the Lease, Lessor may authorize its agents and/or contractors to complete reasonable and necessary repairs or maintenance and bill Lessee for services rendered, with interest at the rate by law and judgments. Said bill shall be deemed as additional rent and shall be due and payable in full when the next month's rental is due, and Lessee agrees to pay said bill when due.

In the event you request a reasonable accommodation based on a disability, you may request so from the manager who may provide such accommodation at the homeowner's expense.

8. ENTRY RIGHTS. Lessee agrees that all reasonable times during the term of this Lease, Lessor or its agents may enter the leased premises for purpose of inspection, cleaning and maintenance, repairs, posting of notices or utility bills or, in the event of an emergency, to perform acts Lessor deems necessary for the protection of the property or safety of person. Lessee agrees not to hold Lessor, its' employees or agents responsible for any such acts performed by Lessor while acting in such emergency capacity.

9. INSURANCE. Lessee is required to maintain homeowners insurance insuring against customary casualties for the full insurable value of the Home. A copy of the policy must be provided to the Landlord prior to move in. Lessee is responsible for obtaining insurance in such amounts as Lessee may desire for Lessee's own property covering fire and casualty loss and for Lessee's family for liability insurance coverage. Lessee acknowledges notification that Lessor's insurance does not insure Lessee against loss of personal property on the premises due to fire, theft, vandalism, or other casualties or causes.

10. CASUALTY LOSS. Lessor shall not be liable to Lessee's invitees, guests, family members, employees, agents, servants or other occupants of the premises for any personal injuries or damage to property caused by defects, disrepair, or faulty construction of the premises or loss of property (including the Home and its contents) from fire, smoke, rain, flood, water leaks, hail, ice, snow, lightning, wind, ground shifting, explosions, interruption of utilities, theft, vandalism or other casualty unless that injury or damage is caused by the gross negligence or willful misconduct of the Lessor. Should a casualty loss or other damage occur to the Home, the Lessee shall promptly undertake to repair or replace all lost or damaged property.

11. REIMBURSEMENT. Lessee must promptly reimburse Lessor for loss, damage, government fines, or cost of repairs or service in the Community due to a violation of the Lease or any other improper use, or negligence of the Lessee's, Occupants, or their guests. Unless the damage is due to the Lessor's gross negligence or willful misconduct, the Lessor is not liable for - and the Lessee must pay for - repairs, replacement costs, and damage to the Home Site, the Common Areas or any Community Facility. The Lessor may require payment at any time, including advance payment of repairs for which Lessee is liable.

12. LESSOR SERVICES. Lessor agrees, at no additional charge to the Lessee, to provide to the Home Site access to electricity, water, gas and sewer if generally available to the Community, in sufficient quantities for normal residential use at the Lessee's cost. Any other utilities required by the Lessee shall be contracted for and billed directly to the Lessee, and shall require the prior written consent of Lessor prior to hook up. In either case, Lessor shall not be liable or responsible for any interruption, prevention, delay or stoppage in service, whether for repair and maintenance or otherwise, absent the gross negligence or willful negligence of Lessor. Should any utility service provided by Lessor be interrupted, the Lessee shall promptly deliver to the Lessor a written request for repair of the condition, following which the Lessor will make reasonable efforts to correct such condition or cause the supplying utility company to correct such condition, but in no event shall Lessor be liable for any interruption.

13. SECURITY. Although the Lessor may, from time to time, provide nighttime security guards or patrols, controlled access vehicle gates, perimeter fences, or other services of devices for the benefit of the Common Areas, neither the Lessor nor any other person acting on behalf of the Community provides any guarantees, warranties or other assurances of personal safety or protection against property loss or damage. The Lessor reserves the right to reduce or increase the level of such services from time to time.

14. ASSIGNMENT PROHIBITED; MORTGAGE PERMITTED. The Community is intended to be an owner-occupied Community. Lessor shall have the right, at its sole discretion to own and rent homes to approved tenants. In no event shall the Lessee have any right to assign, convey, mortgage, pledge, rent, sublease or otherwise transfer this Lease or any interest in the Home or Home

Site, or permit the occupancy of the Home by persons other than family members of the Lessee, previously approved by Lessor, without the prior written consent of the Lessor, which the Lessor may grant or withhold in its sole discretion, and any such transfer or attempted transfer shall be null and void, except as follows:

a. Sale of Home. So long as the Lessee timely pays their rent and otherwise their obligations under this Lease and no Default has occurred and is continuing under Section 18, below, the Lessee shall have the right to sell their Home and assign all, but not less than all, of their rights under this Lease to financially qualified purchaser(s) of the Home, provided that (1) such purchaser(s) is/are acceptable to Lessor in accordance with the Lessor's customary approval standards, those used by Lessor when considering prospective residents of the Community, (2) such purchaser is acceptable to any lender providing financing secured by a mortgage, deed of trust or similar instrument encumbering the Home, (3) such purchaser agrees in writing in the document of transfer to assume and be bound by all of the terms and conditions contained in this Lease, and, (4) the Lessee and the prospective purchaser otherwise comply with the conditions described in this Section 15(a). Should the Home, at the time of transfer, be financed by a bank, savings and loan, insurance company or other financial institution generally providing home mortgage financing, the Lessor agrees that such purchaser(s) will be considered acceptable to the Lessor under clause (1), above, if the Lessor reasonably determines that the proposed transferee is creditworthy.

Should the Lessee desire to sell the Home and assign their interest in the Lease, then the Lessee shall deliver to the Lessor written notice of the proposed transaction at least 30 days prior to the proposed closing date (or a shorter period of time reasonably requested by the Lessee, if the proposed closing date is less than 30 days following execution of the proposed contract of sale), along with the proposed contract of sale, duly executed by each of the parties but subject to the terms of this Lease, and a fully completed and executed rental application completed by the proposed purchaser(s) on the Lessor's standard form. The Lessor may charge a reasonable fee for reviewing and processing the proposed assignment transaction. The Lessor shall, within 10 days following receipt of the completed application and processing fee, advise the Residents of its approval or disapproval of the proposed purchaser(s). Notwithstanding anything to the contrary contained in this Section 15(a), in lieu of granting its approval to the sale of the Home the Lessor may instead elect to purchase the Home and take an assignment of and assume the Lease on the terms and conditions set forth in the proposed contract of sale by providing written notice to the Lessee of its election within ten (10) days following receipt of the proposed contract, the completed application and the processing fee, in which case the Lessor shall, within ten (10) days following the date of its election enter into a contract of sale on the terms and conditions set forth in the proposed contract and shall thereafter purchase the Home subject to and in accordance with such contract of sale.

b. Financing or Refinancing. So long as Lessee timely pays their rent and otherwise complies with their obligations under this Lease and no Default has occurred and is continuing under Section 18, below, the Lessees shall have the right to obtain a loan to purchase their Home, or refinance that loan, from a bank, savings and loan, or other institutional mortgage lender and to grant to such lender a mortgage, deed of trust, deed to secure debt or similar instrument encumbering the Home and the Lessee's Lease of the Home Site as security for such loan.

c. Other Transfers Prohibited. If the Lessee attempts to assign the Lease, to rent the Home, or allows the Home Site or the Home to be occupied by anyone other than the Lessee in violation of this Lease, the Lessor may collect rent and other charges due under this Lease from the assignee or occupant, and apply the net amount collected to the amount herein due, but no such collection shall be deemed to be a waiver of the condition herein against assignment or subletting, or as an acceptance of the assignee or occupant as a lawful resident of the Community or of the Home Site and in such case the Lessee shall remain liable to the Lessor under all provisions of this Lease.

15. REMOVAL OF HOME. Lessee may not remove the Home from the Home Site without prior written consent of the Lessor and must give written notice as required by the Colorado Statutes.

16. RETURN OF PREMISES. Lessee agrees to refrain from causing damage to the premises and to return same at the expiration or prior termination of the Lease in the same or better condition as when received, except reasonable and ordinary wear. Buried yard lines installed by Lessee become property of Lessor upon leaving the Community, and will not be removed from homesite or damaged when home is removed from premises. Lessee also agrees not to remove or attempt to remove the manufactured home from the leased premises until all sums have been paid hereunder, including damages for breach of this Lease. These sums shall be paid to Lessor in cash or certified funds. Such removal is expressly hereby made subject to Section 19, Abandonment, below.

17. DEFAULT AND TERMINATION. Violation of any of the Covenants and the conditions herein contained shall, at the option of the Lessor, constitute a breach of this agreement, and in any such event, the Lessor may, after sufficient written notice as required under Colorado law, initiate proceedings to terminate the tenancy created hereunder and recapture possession of the mobile home lot described herein. Failure of the Lessor to exercise such option in any particular case shall not be construed as a waiver of its rights in any other case. Appointment of a receiver to take possession of Lessee's assets or Lessee's general assignment for benefit of creditors or Lessee's bankruptcy shall be breach of this agreement.

Lessee will also be in default (each, a "Default") and in breach of the provisions of this Lease if:

- a. Lessee's failure to pay Lessor any rent or other payments, including Additional Rent, due hereunder when the same becomes due shall constitute a default of the Lease Agreement if Lessee fails to make the payment within ten (10) days (cure period) after Lessor's service of a written Demand for Payment or Possession by Lessor to Lessee.
- a. The management of a mobile home park may terminate a tenancy for one or more of the following reasons:
 - (a) Except in the case of a home owner who cures a noncompliance as described in section 38-12-202(3), failure of the home owner to comply with local ordinances and state laws and rules relating to mobile homes and mobile home lots;
 - (b) Repealed.
 - (c) Except in the case of a home owner who cures a noncompliance as described in section 38-12-202(3), failure of the home owner to comply with written rules and regulations of the mobile home park that are enforceable pursuant to section 38-12-214(1), are necessary to prevent material damage to real or personal property or to the health or safety of one or more individuals, and were:
 - (I) Established by the management in the rental agreement at the inception of the tenancy;
 - (II) Amended after the inception of the tenancy with the consent of the home owner; or
 - (III) Amended after the inception of the tenancy without the consent of the home owner after providing sixty days' prior written notice to the home owner.
 - (d)
 - (I) Condemnation or change of use of the mobile home park. When the owner of a mobile home park is formally notified by a notice of intent to acquire pursuant to section 38-1-121(1) or other similar provision of law, or a complaint in a condemnation action from an appropriate governmental agency that the mobile home park, or any portion thereof, is to be acquired by the governmental agency or may be the subject of a condemnation proceeding, the Lessor shall, within seventeen days, notify the home owners in writing of the terms of the notice of intent to acquire or complaint received by the Lessor.
 - (II) If a Lessor wants to change the use of a mobile home park, and the change of use has been approved by the local or state authority or does not require approval, and the change of use would result in the eviction of inhabited mobile homes, the Lessor shall give the owner of each mobile home that is subject to the eviction a written notice of the Lessor's intent to evict not less than twelve months before the change of use of the land, which notice must be mailed to each home owner.
 - (e) The making or causing to be made, with knowledge, of materially false or misleading statements on an application for tenancy;
 - (f) Conduct of the home owner or any lessee of the home owner or any guest, agent, invitee, or associate of the home owner or lessee of the home owner that:
 - (I) Occurs on the mobile home park premises and unreasonably endangers the life of the Lessor, any home owner or lessee of the mobile home park, any person living in the park, or any guest, agent, invitee, or associate of the home owner or lessee of the home owner;
 - (II) Occurs on the mobile home park premises and constitutes willful, wanton, or malicious damage to or destruction of property of the Lessor, any home owner or lessee of the mobile home park, any person living in the park, or any guest, agent, invitee, or associate of the home owner or lessee of the home owner;
 - (III) Occurs on the mobile home park premises, materially harms or threatens real or personal property or the health, safety, or welfare of one or more individuals or animals, including pet animals, as defined in section 35-80-102(10), and constitutes a felony prohibited under article 3, 4, 6, 7, 9, 10, 12, or 18 of title 18; or
 - (IV) Was the basis for an action that declared the mobile home or any of its contents a class 1 public nuisance under section 16-13-303.
- c. the Lessee abandons the Home of the Home Site; or
- d. any Lessee, with knowledge, give incorrect or false information in a rental application.

Lessees will be deemed to have *abandoned* the Home and the Home Site when all of the following have occurred: (1) everybody appears to have moved out in Lessor's reasonable judgment; (2) personal belongings have been substantially removed; (3) the Lessee has been in default for non-payment of Rent for 5 consecutive days or any utility provided to the Home has been disconnected or terminated as a result of the Lessee's non-payment; and (4) Lessee fails to respond within 5 days to the Lessor's notice left on the outside of the main door entry stating that the Lessor considers the home abandoned.

Following a Default, the Lessor may exercise one or more of the following remedies:

A. Acceleration. All Monthly Rent and Additional Rent for the rest of the lease Term may be accelerated automatically without notice or demand (before or after acceleration) and will be immediately due and delinquent if, without prior written consent: (1) The Lessee moves out, removes property in preparing to move out, or gives oral or written notice (by you or any occupant) of intent to move out before the initial extension term ends; and (2) the Lessee fails to pay all rent for the remaining Term. Such conduct is considered a Default for which the Lessor need not give the Lessee notice. Remaining rent also will be accelerated if the Lessee has been judicially evicted or move out when the Lessor so demands following a Default.

B. Fines. Lessor may charge a fine to the Lessee of not less than \$25.00 for the first occurrence, \$75.00 upon the second occurrence, and \$150.00 upon the third occurrence for any breach of any part of the Lease Agreement. The fine will be considered additional rent and will be due and payable three (3) days after a notice to cure said breach has been issued and Lessee has failed to cure said breach. Continual breach of any part of the Lease Agreement, whether cured or not, may result in the termination of said Lease.

C. Forcible Entry and Unlawful Detainer. Lessor may file an action for Forcible Entry and Unlawful Detainer against Lessee to recover possession of the Premises. In the event that Lessor obtains a Court-Ordered Writ of Restitution (a.k.a. Eviction Order), Lessee shall be provided not less than thirty (30) days from the entry of the Eviction Order, which may be extended to not more than sixty (60) days after the entry of judgment if the home owner has prepaid no later than thirty (30) days after the court ruling to the Lessor an amount equal to a pro rata share of rent for each day following the expiration of the initial thirty-day (30) period after the date of the Eviction Order.

D. No Waiver. No action or omission of the Lessor or its agents or representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Not enforcing or belatedly enforcing written - notice requirements, rental due dates, acceleration, liens, or other rights isn't a waiver under any circumstance. Except when notice or demand is required by statute, the Residents waive any notice and demand for performance from the Lessor in the event of any Default. Exercising one remedy won't constitute an election or waiver of other remedies. All remedies are cumulative, and the Lessor may exercise any remedy specified in this Section 18 or any other remedy available under applicable law.

18. ABANDONED PROPERTY. All Property found on the Home Site after you vacate shall be considered abandoned property and the Lessor may dispose of it as the Lessor sees fit without compensation to you. Lessor shall be held harmless from damage suffered by Lessee therefrom.

19. ATTORNEY'S FEES. Should either Lessee or Lessor be required to employ legal counsel to enforce the terms, conditions and covenants of this Agreement, the **prevailing party** shall recover all reasonable attorneys' fees incurred therein. To the extent allowed by applicable Colorado law, attorneys' fees and all costs and reasonable expenses incurred by Landlord by reason of a default by Tenant, or in obtaining compliance with requirements of the Lease, shall constitute additional sums to be paid by the prevailing party, as determined by a Court of law. This Lease and all covenants, conditions, terms and provisions hereof are binding upon and shall inure to the benefit of the successors, assigns, heirs, executors and administrators of Landlord and Tenant, to the extent herein permitted.

20. LESSOR'S CUMULATIVE RIGHTS. No right or remedy herein conferred upon or reserved to Lessor is intended to be exclusive of any other right or remedy. Each and every right and remedy shall be cumulative and in addition to any other right and remedy given hereunder, now or hereinafter, existing at law or in equity or by statute.

21. SUBORDINATION. This Lease and the rights of the Lessees hereunder are at times subject and subordinate to the lien of any present or future mortgage, deed of trust, deed to secure debt or similar instrument, unless the holders of such instruments require in writing that this Lease be superior to such instruments. The Lessee will, within 10 days following demand, execute such further instruments or documents as the Lessor may reasonably request to evidence to subordination of the Lease as described in this Paragraph 25. Should the holder of any such instrument, or its successors or assigns, or any purchaser at a foreclosure sale or grantee under a deed in lieu thereof, acquire title to the Community or any interest therein, the liability of such holder or grantee shall be limited in accordance with the provisions of Paragraph 26, below, and in no event shall such holder be liable to the Lessee for (i) any

default of the Lessor occurring prior to such person's acquisition of title to the Community, or any claims, liability or damages arising from such default, or (ii) any security deposit or any amounts paid more than one month in advance on account of Rent.

22. LIABILITY OF LESSOR. It is expressly understood and agreed that notwithstanding anything to the contrary contained in this Lease, the liability of the Lessor (including any successor to the Lessor) and any recourse by the Lessee or any other person against Lessor arising out of or in connection with this Lease shall be limited solely and exclusively to the interest of the Lessor in the Home Site and the Community, and neither Lessor nor its officers, directors, employees, agents, contractors or other representatives shall have any personal liability, and the Lessee hereby expressly waive and release such personal liability on behalf of themselves and any person claiming by, through or under any Lessee.

23. LESSOR RIGHT TO TRANSFER. It is expressly understood and agreed that the Lessor has the right to transfer its interest in the Home Site, the Community and this Lease, and that in the event of any such transfer, Lessor shall automatically be released from all liability under this Lease following the date of transfer and Lessee agrees to look solely to such transferee for the performance of the Lessor's obligations under this Lease following the date of transfer. The Lessee further understands and agrees that the Lessor may assign its interest in the Home Site, the Community and/or this Lease to a mortgage lender as additional security and such assignment shall not release the Lessor from its obligations under this Lease, and that Lessee shall continue to look to Lessor for the performance of its obligations hereunder.

Lessee shall give notice to each home owner in the mobile home park upon any of the following triggering events:

- a. Lessee lists the park for sale;
- b. Lessee intends to make a final, unconditional acceptance of an offer for the sale or transfer of the park; or
- c. Lessee receives:
 - i. A notice of election and demand or lis pendens related to foreclosure of the park; or
 - ii. Notice that a certificate of levy has been filed related to the park.

Within fourteen (14) days after the date on which any of the events described in this section occur, Lessee shall mail written notice by certified mail to:

- a. Each home owner, using the most recent address of the home owner, and shall post a copy of the notice in a conspicuous place on the mobile home or at the main point of entry to the lot;
- b. The municipality or, if the park is in an unincorporated area, the county within which the park is located;
- c. The division of housing in the department of local affairs; and
- d. Each home owners' association, residents' association, or similar body that represents the residents of the park

The notice given pursuant to this section must include notice of Lessees' rights under the Colorado Mobile Home Park Act. If the triggering event involves a sale, the notice must also include a description of the property to be purchased and the price, terms, and conditions of an acceptable offer the Lessor has received to sell the mobile home park or the price or terms and conditions for which the Lessor intends to sell the park. The information regarding the proposed sale and the price, terms, and conditions of an acceptable offer may be shared for the purposes of evaluating or obtaining financing for the prospective transaction, but all persons who receive the information shall otherwise keep it confidential if the park owner or the park owner's agent so requests.

24. INJUNCTION. In addition to all other remedies provided in this Lease, Lessor shall be entitled to restrain by injunction the violation, or attempted or threatened violation, of any terms, covenants, conditions or provisions of this Lease. Upon enforcement of this Lease in a court of law, both Lessor and Lessee hereby waive their rights to a trial by jury.

25. MISCELLANEOUS. Neither the Lessor nor any of its representatives have made any oral promises, representations or agreements. This Lease is the entire agreement between the Lessee and the Lessor. Lessor's representatives (including management personnel, employees and agents) have no authority to waive, and no authority to make promises, representations, or agreements that impose duties or other obligations on the Lessor or its representative unless in writing. No employee, agent, or management company is personally liable for any of the Lessor's contractual, statutory, or other obligations merely by virtue of acting on its behalf. This Lease binds subsequent owners of the Community and the Home. Neither an invalid clause nor the omission of initials invalidates this Lease. All notices and documents may be in English and, at the Lessor's option, in any language that the Lessee reads and speaks. All provisions regarding the Lessor's non-liability and non-duty apply to the Lessor's employees, agents, and managements companies. All Lease obligations must be performed in the country where the Community is located.
